Experience Something New!

Gorge Scrambling

Kitted out in wet suit, helmet and buoyancy aid and accompanied by an experienced guide you will follow the river down one of the magnificent gorges located in the famous waterfall country.

Make your way down the gorge by tobogganing down rapids, jumping into plunge pools, traversing along rock walls, jumping across boulders, climbing waterfalls, exploring dark caves, all under the supervision of experienced guides... if that doesn't get your adrenaline pumping, jumping from "loonies leap" will!

Key Information:
