

# Celtic Team Building Events

## *Experience Something New!*

### Raft Building

**Raft building** - Barrels, planks, ropes and water are a recipe for a thorough soaking and great fun. We can also run this event at various UK locations.

Once equipped with buoyancy aids, helmets and paddles, teams are given a short time to design their raft.

A selection of materials are at hand, plastic barrels, long poles, short poles and not forgetting the all important rope.

Once the instructors are happy with the design, the team begin their construction. The rafts must be big enough and strong enough to carry the team through a series of races and team games! The real test to any raft is time, how long will it last?

Raft building is a great team-building event, guaranteed to separate the floaters from the lead balloons! Which of your friends and colleagues would you rather be marooned with?!

#### **Key Information:**

**Location:** Various Lakes and Rivers UK wide

**Duration:** Half-Day event (approx 3hrs)

**What is Included:** All kit hire, wet suits, buoyancy aids, helmets, rafts and paddles, Instructors, Public Liability Insurance.

**For a detailed proposal:** Telephone: 0845 0573588 or go to our online form by clicking on: <http://www.celtic-teambuilding.co.uk/ContactUs.htm>
